Re: MB Docket No. 04-233

Dear Ms. Dortch:

World Vision is a Christian humanitarian organization dedicated to working with children, families and their communities worldwide to reach their full potential by tackling the causes of poverty and injustice.

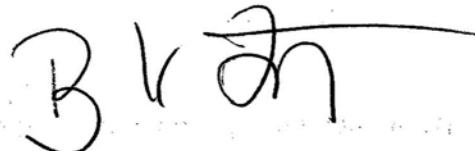

Christian Life Center in Dayton, Ohio is hosting our nation wide tour, World Vision Step into Africa Experience: AIDS exhibit from May 9-12.

The free exhibit will allow you to live the life of a child whose life has been affected by AIDS. Bonneville International has helped us reach the Cincinnati Community to let them know they have an opportunity to Step into Africa.

Bonneville International-Cincinnati wrote, produced and aired Public Service Announcements for my organization. The Public Service Announcements were produced by the station and aired at no cost to our organization

In conclusion, Bonneville International-Cincinnati (WKRQ, WUBE, WYGY, WSWD) has been effective in serving my organization's needs as well as those of the community at-large. We see no need for additional rules or reporting requirements that insert federal oversight of the process of broadcasters serving the community.

Respectfully submitted,

Ryan K. Floth
